Another trick is to find the user ID and password of the MySQL server in `/var/lib/mysql/` and changing it with a new one, so that when the cron task restarts MySQL the old password is no longer valid. If you don't change the password when the MySQL database is restarted, the MySQL password will be remembered until the next time the server is started. It's likely not a good idea to run this script as root, and it's probably also not a good idea to have this script running as the same user as your web server. For months, Red Bull has struggled on the race track with reliability issues with its Renault power unit, a problem that has been more severe this season. The French

manufacturer is expected to reduce its pace unit production with the aim of improving the reliability of the power unit in the remaining races of the championship. Despite the problems Renault has, Hamilton believes Red Bull should have no issue at all competing for a world championship because they are more prepared than any other team. "In terms of drivers, we should be OK as we have a bigger budget and have more resources," Hamilton said. "But we can't say the same for the manufacturers - they are the ones that are struggling. "There's not one team where the power unit seems to work the most. Red Bull, Williams and Racing Point have had a lot of problems. "When we can't even get the power unit to work we should be worried about the rest of the package. "I still rate Red Bull as the strongest team, and if we can hit the ground running at the first race in Australia, then we should be OK. "There's not one team that should

worry us. We're the underdog, not Red Bull or Mercedes. "It's not their year. Ferrari got a World Championship in my second year but then came back in my third. "As I said, I still rate Red Bull as the strongest team, which is why we should not be concerned." Hamilton has struggled for pace this year, finishing in the top three in only two races. The reigning world champion has a points deficit to Mercedes but believes he has been aided by a lack of power issues with the car. "We've got a super-competitive team and we should be in the points," Hamilton added. "But we've been running good and picking up good points.
