Assuming you've. I didn't get a serial number, but the library is asking for one. Are you sure this is a . I got the serial number from the Native Instruments website, and then tried entering it into the NATIVE LICENSING Section of the NATIVE INSTRUMENT ACCESS, but there was no option for it. So, I tried entering it under the Serial Number entry under the Player section, which then asked for a serial number. So, I didn't enter any. I tried to make it using the default built-in Kontakt 5 samples, which is most of what I would use the player for, but there were too many that I don't need. I'm really liking the built-in samples, but it doesn't have the variety that I want. How do I install and activate a Kontakt Player library? Assuming you've.
